SHIP OWNERS CAN'T MITCHEL'S REFUSE BILL

Whitman Calls Measure Blind and Assails City's Growing Debt-Mayor Sees Loss of \$1,400,000 in Revenue.

The New York city administration of Commerce to-day that it would be made a hard fight for the measure and CITY'S LOSS, SAYS MAYOR American vessel owners succeeded in getting it through the As-

"The meaning of the provisions of this the matter of lifeboats, rafts and other bill is hopelessly obscure," says the Govsafety equipment on or before July 1, ernor in his yeto memorandum. "If the city administration is in need of new The committee told Mr. Sweet that if and necessary powers their enumeration means not only of saving a great deal means not only of saving a great deal of money to the city but of eventually strict compliance with section 14 of the in the bill before me is far from satislaw is enforced many vessels will have factory. They are neither specific nor giving New York what it has never to be tied up on July 1, thus entailist heir meaning manifest. It is stated the fine the bill that the contract may provide either for the payment of a stipu- long been a public nuisance would be The seamen's law appears to be one lated sum or a fixed unit price to the eliminated.

Seels eight months after its passage, or on November 4 next, and in the case of foreign vessels twelve months after passage, or March 4, 1916.

Section 14 specifies that its provisions should become effective July 1 next and Solicitor-General Thurman of the Department holds that on that date the requirements as to safety apparatus shall become operative.

The act is inconsistent in other respects and those charged with the duty of enforcing it are very much wavered as more hopelessive of the contract, or a sum to be safety apparatus and obscurity are more hopelessive over the stimulation and the contract, or a sum to the remainment of the such receipts between the city of enforcing it are very much wavered at midnight last night madison Square Garden. With their leading and the contract or a sum to be contained in a clause in which it is stated that such the requirements as to safety apparatus shall become operative.

**Corporation Counsel, Commissioner Fetherston and the Board of Estimate and easily passed by both branches of the degislature. The veto was not expected, although the relations between the Cograte. The Mayor was asked yesterday if the did not consider the bill one of the administration measures.

Veto Costs City \$1,400,000.

The act is inconsistent in other respective many the contract of a sum to be active and the contract of the sum to the proportion as may be agreed upon. It would be hard to represent the proportion as may be a sentence in which uncertainty and obscurity are more hopelessive.

Veto Costs City \$1,400,000.

**The act is inconsistent in other respective many the city of the plant or plants or a sum to be did not consider the bill one of the "The following clause further illus-

of enforcing it are very much worried over the situation. It is the opinion of the authorities that if the law is enforced as written it will not only cause great loss to American steamship companies, but possibly involve the United States in difficulties with foreign Powers.

Drastic provisions for the equipment of foreign and American vessels with safety apparatus are written in the law. Steamship men deglare that it would be mechanically impossible for any owner to comply fully with these regulations by July I.

Officials of the Department confess that drawing up regulations under the seamer's act to the hardest that the balances that drawing up regulations under the seamer's act to the hardest that the work of the proportion as may be agreed upon.

The following clause further illustrated illustrate illustrate illustrate in the situation when I denominate the following clause further illustrated that it say when I denominate that it was to make I say when I denominate that it will not only cause great base at a second the state tax is being time when a direct State tax is being time when the constance of the globe.
